

PRES. HORSLEY TO MARRY TOMORROW

President W. C. Horsley of this city, will lead to the altar in the Salt Lake Temple tomorrow, Miss Florence Adella Burt of Salt Lake City, who is the daughter of Mrs. Mary A. Burt of that city and a sister to Mrs. John P. Christensen of this city.

The many friends of President Horsley will rejoice with him in the step he is taking for no man ever received so much advice and urging from his friends to take unto himself a wife. The young lady who has given him her heart and tomorrow will include her hand in the bargain, is not altogether unknown in this community for upon her frequent visits to the home of her sister she has made many friends and the writer can testify that she is a most estimable and lovable young lady, a worthy companion to the splendid man of her choice.

The News desires to be included in the great host of friends of President Horsley and wife to wish them long life and happiness.
